**Please Note:** In line with the requirements of ISO15189:2012, each sample request will be considered a Service Level Agreement We will process any sample referred to us meeting our sample labelling criteria. (<http://www.exeterlaboratory.com/test/specimen-labelling-procedure/>) Each request accepted by the laboratory for examination(s) is considered an agreement (ISO15189:2012). To arrange a formal Service Level Agreement please contact the laboratory manager (<http://www.exeterlaboratory.com/contact/>)

We undertake to inform referring centres, without undue delay, in the event of circumstances that may adversely affect the reliability of results or turnaround times.
